ADDITIONAL INFORMATION TO EMPLOYERS AND OTHER WITHHOLDERS

☐ If checked you are required to provide a copy of this form to your employee.

1. **Priority:** Withholding under this Order/Notice has priority over any other legal process under State law against the same income. Federal tax levies in effect before receipt of this order have priority. If there are Federal tax levies in effect please contact the requesting agency listed below.
2. **Combining Payments:** You can combine withheld amounts from more than one employee/obligor's income in a single payment to each agency requesting withholding. You must, however, separately identify the portion of the single payment that is attributable to each employee/obligor.
- 3.* **Reporting the Pay date/Date of Withholding:** You must report the pay date/date of withholding when sending the payment. The pay date/date of withholding is the date on which amount was withheld from the employee's wages. You must comply with the law of the state of the employee's/obligor's principal place of employment with respect to the time periods within which you must implement the withholding order and forward the child support payments.
- 4.* **Employee/Obligor with Multiple Support Withholdings:** If there is more than one Order/Notice to Withhold Income for Child Support against this employee/obligor and you are unable to honor all support Order/Notices due to Federal or State withholding limits, you must follow the law of the state of employee's/obligor's principal place of employment. You must honor all Order/Notices to the greatest extent possible. (See #9 below)

Ohio Law: Payors shall pro-rate the amount due when two or more support orders are received for this obligor, which when combined exceed the limits of the Consumer Credit Protection Act. Multiply the current support order by a fraction with a numerator that represents the available amount of income and a denominator that represents the total amount designated for payment in the notices.

Payors shall allocate to each notice an amount for current support equal to the amount designated in that notice as current support multiplied by a fraction in which the numerator is the amount of personal earnings, payments, pensions, annuities, allowances, benefits, other sources of income, or savings available for withholding and the denominator is the total amount designated in all of the notices as current support

If the total of the amounts designated in the notices as current support does not exceed the amount available for withholding under the Consumer Credit Protection Act, the payor shall pay all of the amounts designated as current support in the notices and shall allocate to each notice an amount for past-due support equal to the amount designated in that notice as past-due support multiplied by a fraction in which the numerator is the amount of income remaining available for withholding after the payment of current support and the denominator is the total amount designated in all of the notices as past-due support.

5. **Termination Notification:** You must promptly notify the payee when the employee/obligor is no longer working for you. Please provide the information requested and return a copy of this order/notice to the agency identified below:

The financial institution must include in all notices the obligor's last known mailing address, last known residence address, and social security number.

6. **Lump Sum Payments:** Lump sum payments are income other than personal earnings that the obligor is receiving, or eligible to receive, as a benefit of employment or as a result of termination of employment. "Cash out of vacation pay" means income disbursed to an employee in lieu of actual vacation or leave taken. Any cash out of vacation is considered a lump sum payment and shall be processed as any other lump sum payment. The payor may be found guilty of contempt of court.

8. **Anti-discrimination:** You are subject to a fine determined under State law for discharging an employee/obligor from employment, refusing to employ, or taking disciplinary action against any employee/obligor because of a child support withholding.
9. **Withholding Limits:** You may not withhold more than the lesser of: 1) the amounts allowed by the Federal Consumer Credit Protection Act (15 U.S.C. Section 1673(b)); or 2) the amounts allowed by the State of the employee's obligor's principal place of employment. The Federal limit applies to the aggregate disposable weekly earnings (ADWE). ADWE is the net income left after making mandatory deductions such as: State, Federal, Local taxes; Social Security taxes; and Medicare taxes.

According to the Federal Consumer Credit Protection Act (CCPA), the amount withheld is not allowed to exceed:

- 50% of the noncustodial parent's disposable earnings if he/she is supporting a spouse, dependent child or both, other than a party in the support order.
- 60% of the noncustodial parent's disposable earnings if he/she is not supporting someone else.
- The Act also allows an additional 5% to be withheld above the maximum amount permitted if the noncustodial parent is twelve (12) or more weeks in arrearage.

Ohio Law: Financial institutions and unemployment compensation benefits are not subject to the CCPA. No more than 50% of the noncustodial parent's weekly unemployment benefit amount may be deducted.

*Note: If you or your agent are served with a copy of this order in the state that issued the order, you are to follow the law of the state that issued this order with respect to these items. This notice is final and enforceable by the court.
